All premises and mailboxes shall bear a distinctive street number in accordance with and as designated upon the street numbering maps on file in the office of the Grand Traverse County Equalization Department, which maps, by reference, together with any revisions thereof, shall become an operative part of this ordinance. The Master Street Index shall also become an operative part of the Ordinance, shall be updated periodically, and shall rule as to spelling.
- B. Any owners of any premises shall place upon the street front of such premises adjacent to the principal entrance and on the street mailbox on such premises such designated number, such that:
 - 1. Numbers on mailboxes on the premises shall be displayed in such a manner as to be plainly visible from road traffic lanes in either direction of approach. The numbers shall be of a contrasting or reflectorized color to their background and shall not be less than three (3) inches in height.
 - 2. Numbers in block or script displayed on building fronts shall be of contrasting color to their background and shall not be less than three (3) inches in height.
 - 3. If there is no street side or the street side does not have unobstructed access the street providing principal access will be considered for numbering purposes.
- C. The height of the post shall not be less than six (6) feet above the level of the adjacent street and the assigned numbers of the premises shall be placed on both sides of the post so as to be plainly visible from road traffic lanes in either direction of approach. Such numbers shall be of contrasting or reflectorized color to their background and shall not be less than three (3) inches in height.
- D. Where the mailbox is located on the street other than on the street of the premises as numbered, the mailbox shall show both the number assigned and the street name of the premises in contrasting or reflectorized color to their background and shall be not less than one (1) inch in height.
